THE FOUNDER'S REMARKS

Friends,

In keeping with our theme, which is "Gratitude in spite of Challenges" and moving Kenya Women's Support Group (KWSG) and our country, Kenya, forward...

Ten years later, I feel a sense of gratitude toward KWSG board members Njoki Kamau, Beatrice Kidwaro and Mumbi Kigutha, members of our Whatsup groups and those of you who have been immensely helpful and supportive to the success of KWSG and making Kenya what it is today.

In the Ubuntu spirit. "I am because we are, and because we are I am." -John S. Mbiti, we are getting better together because of the love coming from this community in support of our programs and one another.

I have not been perfect, but I tried to give this Kenyan community my very best in terms of time, resources, creativity, one on one counseling, even being a phone call away any time, day or night, this has been my heart's dedication. For me, this was my calling to live for a higher purpose, therefore, I did it with ease.

We have created programs tailoring each aspect of this community's needs as reflected in the support groups mentioned below...

Our support groups include:

- Kenya Women Support Group
- SOKO- Kenyan Community Diaspora
- Kenyan Women Singles Group
- Aging with Grace- Kenyan Women50+
- Kenyan Women Prayer Group
- Pumzika Support Group
- Widows Sisterhood
- Nurses & Social Workers
- Jumuiya Ndogo Ndogo
- Coping Skills Support Group- Strategies

We do not stand in judgment of one another, in fact, we encourage forgiveness of Self and others, coming clean of withholds, staying clear of the cycle of being blinded by shortcomings...

We are all fallible and human.

Let us remember... forgiveness is for the forgiver, not the forgiven.

In terms of moving Kenya Forward, I encourage and call upon all of us to perform our civic duty by:

- o Getting involved in the Kenyan Democratic Process
- o Supporting local Kenyan businesses and entrepreneurs
- o Stopping Corruption, Personally and on a Grand Scale
- o Personally: Lead by Example, Be Informed, and Report Corruption
- o Grand Scale: Advocate for stronger anti-corruption policies, Support Independent Media, and Encourage Whistleblowers
- o Embracing Diversity and Inclusion

In conclusion, with gratitude, my challenge during this endeavor has been learning how to create an integrated, soul-level leadership with an emotional commitment inside of this community for this community. The KWSG is looking to pass the baton onto the next successor and younger generation... if you feel called to this role, please call me 773-322-8063.

I leave you with a question...

What is your niche (special calling) that ties you to a higher purpose in your own life?

I always wonder what is the ultimate motivator that changes a member of our community into a pillar for our community? Those who understand sacrifice and help carry this responsibility selflessly for the next generation.

Baraka Tele (Many Blessings),

KENYA NATIONAL ANTHEM

English

O God of all creation,
Bless this, our land and nation.
Justice be our shield and defender,
May we dwell in unity,
Peace and liberty.
Plenty be found within our borders.
Let one and all arise
With hearts both strong and true.
Service be our earnest endeavor,
And our Homeland of Kenya,
Heritage of splendor,
Firm may we stand to defend.
Let all with one accord
In common bond united,
Build this our nation together,
And the glory of Kenya,
The fruit of our labor
Fill every heart with thanksgiving.

Kiswahili

Ee Mungu nguvu yetu
Ilete baraka kwetu
Haki iwe ngao na mlinzi
Natukae na udugu
Amani na uhuru
Raha tupate na ustawi.
Amkeni ndugu zetu
Tufanye sote bidii
Nasi tujitoe kwa nguvu
Nchi yetu ya
Kenya tunayoipenda
Tuwe tayari kuilinda.
Natujenge taifa letu
Ee ndio wajibu wetu
Kenya istahili heshima
Tuungane mikono pamoja kazini
Kila siku tuwe nashukrani.

US NATIONAL ANTHEM

O say can you see, by the dawn's early light,
What so proudly we hail'd at the twilight's last gleaming,
Whose broad stripes and bright stars through the perilous fight
O'er the ramparts we watch'd were so gallantly streaming?
And the rocket's red glare, the bombs bursting in air,
Gave proof through the night that our flag was still there,
O say does that star-spangled banner yet wave
O'er the land of the free and the home of the brave?

On the shore dimly seen through the mists of the deep
Where the foe's haughty host in dread silence reposes,
What is that which the breeze, o'er the towering steep,
As it fitfully blows, half conceals, half discloses?
Now it catches the gleam of the morning's first beam,
In full glory reflected now shines in the stream,
'Tis the star-spangled banner - O long may it wave
O'er the land of the free and the home of the brave!

And where is that band who so vauntingly swore,
That the havoc of war and the battle's confusion
A home and a Country should leave us no more?
Their blood has wash'd out their foul footsteps' pollution.
No refuge could save the hireling and slave
From the terror of flight or the gloom of the grave,
And the star-spangled banner in triumph doth wave
O'er the land of the free and the home of the brave.

O thus be it ever when freemen shall stand
Between their lov'd home and the war's desolation!
Blest with vict'ry and peace may the heav'n rescued land
Praise the power that hath made and preserv'd us a nation!
Then conquer we must, when our cause it is just,
And this be our motto - "In God is our trust,"
And the star-spangled banner in triumph shall wave
O'er the land of the free and the home of the brave.

KWSG Testimonial

"When I first heard of Kenya Women's Support Group (KWSG) in Chicago, I very quickly dismissed it as merely just another women's welfare organization. I quickly, however, found myself dead wrong in this assumption.

KWSG is a premier organization that assists all and sundry without discrimination. I have heard help meted out to new African immigrants, non-Kenyan nationals from Africa, men, women and youth of all ages. What's more, KWSG has been in the forefront to facilitate educational training, funeral events, and social events.

I mostly remember KWSG for one event ... I participated in a free educational training on Hepatitis B virus infection. Although for me it was mostly a refresher session, I still nevertheless gained a lot of new knowledge of this disease that is so rampant in Africa, and in people of African descent. It was a wake-up call to all who participated that medical check-up of us Africans is important. I thoroughly enjoyed the course content and what's more .. as an appreciation for attending I earned myself a \$25 reward. I loved it!

KWSG is truly unique in its community welfare commitment. I have seen many social groups set up by Africans in the diaspora that last a few years and then wind up. Not so with KWSG, which has been steadfast in its vision and mission during its ten years of existence. Outstanding leadership and transparency have guided KWSG to greater heights throughout these years, and is now well recognized in the City of Chicago.

KWSG management is truly a role model that should be copied by others. I wish nothing but the best for this noble organization as it continues to bless others. Long live KWSG!"

Testimonial By Rose Wambugu

My gratitude to Kenya Women Support Group(KWSG), board and the founder Ms. Endita Kiarie

I remember when Endita shared with me her dream which has actually become her passion 10 years ago but it seems as if it was just the other day. I did not know that eventually I would be a neighbor who would be sharing good food, staying up late talking and relaxing, not worrying about time to go back home.

“ At times our own light goes out and is rekindled by a spark from another person. Each one of us has a cause to think with deep gratitude to those who have lighted the flame within us” - Albert Schweitzer. Endita, you are one of those who rekindle a spark in many people’s lives.

I am one of the beneficiaries of KWSG, its founder and the board in many ways. Endita, you have been there for me at the most difficult time of my life and journey with me, doctors appointments, procedures, emergency room, dinners, birthday surprises and many more. Sister Njoki, KWSG able secretary, I have had the privilege of sharing with you your wise wisdom, expertise and knowledge. I cannot forget the commitment you made of organizing my stuff when I was in dire need of support, reporting to my house every evening after work and many more. I will forever remember this kind gesture.

Endita’s prayers to be able to support all women regardless of who they are is really evident and many women can attest to that, surely this is a dream come true. You have answered calls at the wee hour of the night, driven miles to places and attended to different women's needs, words are not enough to show our gratitude. We can only pray for God's favor and strength to be upon you and pay you for all you have done for others.

Endita,your dedication,enthusiasm,understanding, and time all mean so much to me and the Chicago community as a whole. You have been by my side through so many ups and downs and I want you to know that I’ll always be thankful for knowing you and being a great and caring neighbor who can be relied on and devoted to all that you do. Your heart of mercy, patient and surrender can only be summarized by this quote:

“ The friend who can be silent with us in a moment of despair or confusion, who can stay with us in an hour of grief and bereavement, who can tolerate not knowing , not healing, not curing... That is a friend who cares”- Henri Nouwen

Finally , Brethren, whatever is true, whatever is honorable, whatever is just, whatever is pure, whatever is lovely, whatever is commendable, if there is any excellence, if there is anything worthy of praise, think about these things. (Philippians 4:8). May God bless you mightily.

LONG LIVE ENDITA, LONG LIVE KWSG!!!!!!!

I came to know KWSG through Endita. Since I joined, I have seen this group do commendable work for the women through Endita's leadership. During my time of grief, this group prayed and supported me in a way that I can never forget or thank them enough. This group is like a second family to me. Thanks to all the members.

Thanks to Endita for her wonderful leadership in the KWSG, Chicago Community and beyond. We can improve this group by supporting it financially, meeting regularly and holding annual events. God bless you all.

"It is not the critic who counts; not the man who points out how the strong man stumbles, or where the doer of deeds could have done them better. The credit belongs to the man who is actually in the arena, whose face is marred by dust and sweat and blood; who strives valiantly; who errs, who comes short again and again, because there is no effort without error and shortcoming; but who does actually strive to do the deeds; who knows great enthusiasms, the great devotions; who spends himself in a worthy cause; who at the best knows in the end the triumph of high achievement, and who at the worst, if he fails, at least fails while daring greatly, so that his place shall never be with those cold and timid souls who neither know victory nor defeat."
